Subject: Reassigned Numbers Database (RND) - Subscription Pricing

Effective on April 28, 2025, the pricing for querying the Reassigned Numbers Database (RND) will be reduced for all subscriptions by 20% and two more Tiers (Tiers 3A and 4A) will be added. The changes are shown in the table below.

Existing subscriptions will not be affected. The same options described in Section 3.5 of the Caller/Caller Agent Registration Guide for the Reassigned Numbers Database – located at <https://www.reassigned.us/resources/guides> - will continue to be available if a subscriber to the RND exhausts its queries before the end of the subscription term.

Caller Agent Discounts are available for Tiers 6-10. Please contact the RND Administrator at [support@reassigned.us](mailto:support@reassigned.us) or 1-833-763-2366 to learn more about the Caller Agent Discounts. A Caller Agent is required to have at least one client company in order to query the database. A Caller Agent also must provide a Letter of Authorization for each client to be approved by the RND Administrator.
